

# A MUSIC WORLD

Music is said to be the most international language, an easy way to know and understand each others. Besides that, “*through music we drive away hostility*” says Mr. Barenboim, one of the best conductors in the world.

## European Anthem

“In 1972, the Council of Europe (...) adopted Beethoven's “Ode to Joy” theme as its own anthem (...). In 1985, it was adopted (...) as the official anthem of the European Union.

It is not intended to replace the national anthem of the Members States but rather to celebrate the values they all share and their unity in diversity”.

What do you think about these opinions?

Hear the European Anthem in [http://europa.eu.int/abc/symbols/anthem/index\\_en.htm](http://europa.eu.int/abc/symbols/anthem/index_en.htm) and look for information about

- Beethoven
- Ninth Symphony/Ode to Joy
- Herbert Von Karajan

## EUYO: European Union Youth Orchestra

The EUYO was the brainchild of Lionel and Joy Bryer, Chairman and Secretary General of the International Youth Foundation of Great Britain.

The main purpose of establishing the orchestra was to demonstrate through music the cooperation and unity of European youth, thereby setting an example as a symbol of the European ideal - a united community of nations working together for peace, harmony, social justice and human dignity. The inaugural tour in 1978 was conducted by the Founding Music Director, Claudio Abbado. The EUYO's current Music Director is Vladimir Ashkenazy.

Look for more information and summarize the aims and ideals of the European Union Youth Orchestra.

How are the players selected? When and where do the rehearsals take place? Where can you find and download an application form? Look for the orchestral extracts that have to be prepared, choose some of them for a listening in class. You can prepare an exhibition about the composers and the music they wrote.

**Laguntza:** <http://www.euyo.org.uk/index.htm>

Conductors like Vladimir Ashkenazy, Daniel Barenboim, Leonard Bernstein, Zubin Mehta, Mstislav Rostropovich..., soloists like Teresa Berganza, Kyung Wha Chung, Barbara Hendricks, Radu Lupu, Karita Mattila, Lord Yehudi Menuhin, Viktoria Mullova, Anne-Sophie Mutter, Jessye Norman, Ravi Shankar...are some of the famous guests who worked with the orchestra. Look for their biography and summarize it. Point out the fact that those citizens of the world who travel all around devote their time and efforts to supporting human rights, peace movements, health, education, children's care and environment defense. You can also prepare a listening of their works.

Musikalandeko Kontserbatorioko lagunek laguntza eskatu dizute. Batzuk EYOn sartu dira, baina beste batzuk beste gazte-orkestra baten bila dabilta oraindik. Holakorik ezagutzen al duzu? Lagun iezaiezu.

Horrez gain, praktikaldia bukatu dutenek lana aurkitzeko eskatuz idatzi dizute. Irakurri beheko eskaerak eta eskaini irtenbideak: emazkiezu helbideak eta prestatu behar dutena.

*Kaixo. Klarineta jotzen dut eta Europako edozein orkestratan jotzeko prest nago. Nora jo behar dut? Mila esker.*

Laura Fernández

Kantaria naiz, baritonoa, hain zuzen. Nirea bezelako ahotserako lanposturen baten berririk ba al duzu? Non egon daiteke horren inguruko informaziorik? Eskerrik asko.

Danel Etxeberria

## IRAGARKIAK

Txikitatik musikazalea izan arren, ekonomia ikastea erabaki nuen. Badakit orkestratan administrariak, gerenteak, managerrak eta horrelakoak behar dituztela. Bilatuko al didazu halako lanen bat? Edozein tokitara joateko prest nengoke, bidaiatzea nire beste zaletasun bat da-eta.

ShanLin

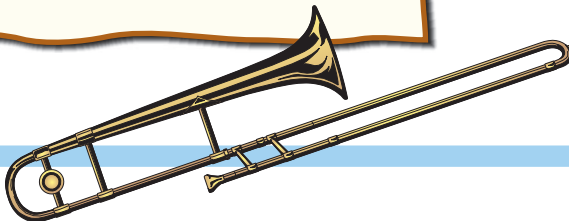

*Perkusionista naiz eta Ekialdeko perkusioarekin guztiz interesaturik nagoenez, Japonia aldeko orkestra batean lan egin nahi nuke. Australiakoetan ere gustura ibiliko nintzateke. Lagunduko didazu faborez?*

Pilar Olaizola

Tronboia jotzen dugun bi anaia gara. Lana bilatuko diguzu? Frantsesa, ama-hizkuntza dugu; beraz, Frantzia edo Kanada aldean hobe, baina, egia esan, ingelesez ere ondo moldatzen gara. Esker anitz.

Ruiz de Garibaitarrak

Hemengo lagunentzat lan bila aritu zarenean, beste lanpostu batzuk aurkitu dituzu seguruenez.

Aukeratu batzuk eta erredaktatu horien iragarkia, ahalik eta zehaztasun gehien emanaz.
